ATOM ORGANISER

121506-002

The full-featured lightweight sporty solution

Product Description

The Atom Organiser is a super sonic fashionable hold-all for nearly every stroller. Securely fastens to the frame of the atom style set with handles up to 48cm/19in wide, the Organiser offers an easy-access compartment for everything from nappies and change items to drinks and toys. With two bottle holders and a middle pouch for keys and mobile phone, this accessory keeps all your space gear within reach.

Features

- Two bottle holders
- Middle pouch for phone and keys
- Fastens to the frame of the atom stroller
- Easy access storage compartment
