

360° HIGH CHAIR

Product Description

The Childcare 360° High Chair has an innovative rotating seat that locks into 12 positions. It gives you the choice to swivel the seat so that you can face your baby towards you for one-on-one feeding. Face baby out to keep them happy and let others entertain them. Face baby forward toward the table for regular mealtimes. It is fully loaded with features such as an adjustable and removable tray for easy cleaning. It has an adjustable footrest for added comfort and the highchair also grows with your child converting into a stool or a mini stool. It is a stylish modern design with sturdy wood legs and a 5 point safety harness to ensure your child is safe and secure at all times.
