A BATH GAME THAT BRRR-INGS ON THE FUN!

Teachable moments are everywhere -- even in the bath! Turn your little one's tub time into a fun learning experience with Arctic, a floating bath toy that's half ring toss, half stacking game, and 100% adorable. Toddlers can count rings, toss them onto its legs, or stack on the bear's belly for triple the fun. They'll stay engaged in the bath while building hand-eye coordination, developing their motor skills, and creating silly memories with mom and dad. Stack, toss, giggle!
