STACK 'EM UP!

Does your little one love pouring water in the bath (and, let's face it, wherever else he can)? Munchkin's Caterpillar Spillers™ will keep curious minds occupied for hours on end as they stack, scoop, strain, spill, pour, rinse, and repeat during bath-time. Your child will love connecting the numbered cups to create a cute caterpillar friend, or stacking them up to form a towering paddle wheel. Numbers help your child learn to count while large-to-small nesting helps build hand-eye coordination and teach sizes, too.

Features

- 7 colourful bath cups are fun to link, stack, strain and pour water
- Labelled 1-7 to help baby learn about numbers
- Cups nest for compact storage and to help build hand-eye coordination
- Top cup has a fun spinner, too
