

# CLEAN RINSE BATHER

## Product Description

The Summer™ Clean Rinse™ Baby Bather grows with baby from birth until sitting up unassisted. This bather can be used in 3 locations; on the counter, in the sink, and in the tub. The Clean Rinse bather features a 3-position recline with easy adjust buttons and folds flat for storage. Bathing on the countertop not only brings baby closer to mum and dad but is hassle-free. The bather is designed to allow water to flow easily into the sink and keep countertop dry. Plus, the quick-dry soft material provides maximum comfort and easy cleaning while helping to prevent mold & mildew.
