

Dupo

Twin Stroller "Cinder"
Model # 019113-384

**IMPORTANT:
RETAIN FOR FUTURE REFERENCE,
READ CAREFULLY**

**Read all instructions before assembly and use of the stroller / pram.
Keep instructions for future use.**

WARNING

TO AVOID INJURY OR DEATH:

FOLLOW THE MANUFACTURER'S INSTRUCTIONS.

ALWAYS APPLY THE BRAKES WHENEVER THE STROLLER IS STATIONARY.

USE THE TETHER STRAP AT ALL TIMES TO PREVENT THE STROLLER ROLLING AWAY.

DO NOT LEAVE CHILDREN UNATTENDED.

SECURE THE CHILD IN THE HARNESS AT ALL TIMES.

DO NOT CARRY EXTRA CHILDREN OR BAGS ON THIS STROLLER.

**MAKE SURE CHILDREN ARE CLEAR OF ANY MOVING PARTS IF YOU ADJUST THE STROLLER,
OTHERWISE THEY MAY BE INJURED.**

**TO AVOID INJURY ENSURE THAT YOUR CHILD IS KEPT AWAY WHEN FOLDING AND
UNFOLDING THE STROLLER.**

ENSURE THAT ALL LOCKING DEVICES ARE ENGAGED BEFORE USE.

Check that all safety locks are engaged before placing a child in the stroller.

Ensure your child is secured with a correctly adjusted safety harness.

DO NOT allow children to stand on the seat.

DO NOT hang bags or goods from the handle as this could cause the stroller to tip over.

DO NOT place more than **3kgs** in each basket, or **1kg** in each hood pocket.

The weight of the child should not exceed **20kgs (each seat)**.

The height of the child using the stroller should not exceed 96cm.

Only use accessories recommended by manufacturer. Using non-approved accessories may be unsafe.

NEVER ride with more than two child in the stroller.

It is recommended not to use stroller on escalators and stairs for safety reasons while child is in it.

This stroller is designed for use on flat or gently sloped surfaces and may become unstable (tipping over) on uneven surfaces and slopes of moderate to high elevation.

Always use safety locks.

Promptly replace worn out or broken parts.

Remove the child from the stroller before going up or down stairs and escalators.

DO NOT lift the stroller by the front bumper bar or tray (if supplied).

To prevent the risk of the stroller catching fire, do not park it near an open fire, heater or barbecue.

For warranty purposes, keep your sales receipt to provide proof of purchase.

DO NOT make any changes or alterations to this product, unless through an approved service agent.

To avoid the risk of suffocation, keep all plastic packaging materials out of reach of children.

NEVER leave safety harness connected when not fitted to a child in the stroller as this may create loops that could cause a strangulation hazard.

When seat is in the fully reclined position, the canopy must be attached and fully secured at the back of the seat frame, as this forms a safety head barrier at the top of the seat.

Ensure the storage latch is fully engaged when lifting or carrying the stroller.

Congratulations on your purchase of the **Dupo Twin Stroller “Cinder”**

This product has been designed and developed with safety, comfort and functionality in mind. Please take the time to read this manual carefully before using this product and keep it in a safe place for future reference.

2

- 2a. Push button on plastic barrel of handle while twisting barrel forward.

3

- 3a. Continue pushing downwards until the stroller is folded.

4

- 4a. Ensure folding lock is engaged.

Cleaning

To ensure the long-lasting use of your stroller, dry it with a soft absorbent cloth after use in rainy weather. Use a damp cloth to clean the frame. Do not use abrasive cleaners. After using your stroller on the beach, clean the frame and wheels thoroughly with water to remove the sand and salt. Allow it to dry thoroughly. Removable and non removable fabric covers and trims maybe cleaned using a damp cloth with soap or mild detergent. Allow it to dry completely before folding or storing it away. Do not dry clean, or use bleach on fabrics or trims. Do not machine wash, tumble or spin dry, unless the care labelling on the product permits these methods.

Maintenance

Always check parts regularly for tightness of screws, nuts and other fasteners – tighten or replace if required. To maintain the safety of your stroller, seek prompt repairs for bent, torn, worn or broken parts. Use only those parts and accessories approved by **CNP Brands**.

If you have any difficulties in assembling the stroller, please contact our Service Department.

In Australia, contact **CNP Brands on 1300 667 137**, in New Zealand contact **Wainhouse Distribution on 0800 567 5000**.
